

The Informed Student Guide to Human Resource Management

The Informed Student Guide to Human Resource Management has been compiled by a team of recognised human resource management experts from the UK and around the world to equip students with basic reference material for everything they need to know about human resource management. The Guide comprises an A-Z listing of over 300 entries - including coverage of the most recent conceptual developments in this rapidly changing field. The Informed Student Guide to Human Resource Management provides an ideal first base for undergraduates or those new to human resource management studies, and an invaluable reference bible for those already familiar with the subject.
