

Unusual Experiences: True Stories

These pages hold a variety of interesting reading concerning the unusual and things not known. You will be stepping back in time as you read these pages. Be prepared to raise an eyebrow and to shake your head more than once as you read things like The Arabs in Egypt open the mummies, take out the inward parts, and obtain from them excellent salt as reported in the early 1800s. We all have our varied experiences in life but some can be very different and unusual. Often some cannot be explained or they are experiences that cannot be duplicated in our modern world.
