

Needlecraft Practical Journal #38 c.1904 - Drawn Thread Embroidery Work

15 Pages. This book contains instruction in the delicate art of Drawn Thread Embroidery. This is a gorgeous technique suitable for a skillfull needle artist. Mixing the techniques of embroidery, cutwork and needleweaving, one can create elaborate patterns, and elegant sophisticaed designs. Although that work is quite beautiful, it is not recommended for a novice, but with a bit of practice it can be very easily mastered. REPRODUCTION
