

## Nothing Is Impossible!: Revised Second Edition

UPDATED and REVISED Version, 2012. Wonder what its really like to be a Rock star? Caspar had it all, the limos, the screaming fans, the big recording contract, his song on the charts and packed concerts. But he also had a deep, gnawing emptiness no worldly toys could heal. Then one night his heart stopped! This book tells the account of him being resurrected and healed of all diseases, and how the Lord can also do the same for you!
