

Macroeconomics (Available Titles CourseMate)

This engaging text continues to set the standard for clear, balanced, and thorough coverage of the principles of economics. Packed with intriguing pop culture examples, the tenth edition is revised to include the most comprehensive coverage of the financial and economic crisis available in a principles of economics text. With new content reflecting a changing economy and new resources addressing the needs of a changing classroom, **MACROECONOMICS, 10e** is an ideal solution for principles courses.
