

Thorinth Vol.1: The Fool with No Name

On a distant planet, a fortress has been built and a people imprisoned. Designed by a madman as a means to study the secrets of the human brain, the fortress Thorinth is now home to crazies, outcasts and undesirables of all kinds. Esiath, the female architect of Thorinth has lost control of a monster that she created to do her bidding. Now, instead of helping her rule Thorinth, the monster has seized power. Into this lair of madness walks a lone hero who hopes to rescue the woman he loves. Can one man survive the citizens of Thorinth long enough to confront the monster who is now king? You may be brave enough to enter Thorinth, but will you be strong enough to escape?
