

SELLING JEWELRY USING YOUTUBE: SELL JEWELRY (sell jewelry online Book 3)

Attract interest. Convert your YouTube video viewers into paying customers. Nail the sale! Have you been on the fence about selling your jewelry online? Or do you have a slow online store that needs to be improved? Do you want an easy-to-read and easy-to-implement book that will teach you how to market your online jewelry business effectively? We all need a guide and that is what Yariv Gai (<http://www.yarivgai.com/>) has just done for us. His detailed, step-by-step guide will show you how to find your way out of the YouTube marketing jungle, get your jewelry to the marketplace, convert your YouTube video viewers into paying customers and keep them coming back for more. With YouTube having over 1 billion users and 4 billion video views daily, Yariv will show you how to take advantage of this opportunity and use YouTube to its full potential. This book will guide you through the whole YouTube marketing process regardless of whether or not you have used YouTube before or you have probably tried, but failed in your advertising campaign. Yariv also treats a major challenge in YouTube marketing, which is how to promote YouTube videos. In this book, you will learn how to get your video seen, and seen often. You will also: learn how to use your smartphone to make jaw-dropping youtube videos; discover some big mistakes you wish you had known earlier; know some top secrets to make amazing videos that attract customers and lot more. This book is geared towards selling jewelry online, but the added value is that the information can be translated to selling anything online using YouTube as a marketing medium. Pick up your copy of *Selling Jewelry Using YouTube* today to solve all your marketing problems and achieve a significant increase in traffic and sales without a significant financial investment!
