

Turn Your Talents Into Gold: Create the business of your dreams with your unique abilities, skills, and experience

Turn Your Talents Into Gold is a motivational and practical guide for budding entrepreneurs. It teaches how to create the business of your dreams with your unique abilities, skills, and experience. Blending both the psychological and technical aspects of building a home-based venture, the author teaches you how begin with just an idea and turn it into a full-fledged enterprise. Checking off your progress as you go, you will build a business, one step at a time. By the time you finish reading the book and completing the assignments, you could actually launch your new business. This guide instructs you on how to conduct market research, establish your business structure and identity, select your office location, advertise and market your products or services, and much more. It also includes practical advice about tax deductions, medical insurance and time management. Turn Your Talents Into Gold is your one-stop shop for transforming your home-based business dreams into reality!
