

Feel at Home: Home Staging Secrets For a Quick and Easy Sell

In a perfect world you wouldn't need to be living in your home while on the market. However, the list of reasons why someone sells is endless and in many cases forces a homeowner to stay put when selling. The experience can be grueling for sellers when your personal lives become public displays to strangers and their criticisms. If you're going to be living in your home when selling you have to willingly be inconvenienced---not only emotionally, but physically. So what's the best way to get out from under the microscope? Sell fast. In this game-changing book by Tori Toth, founder of the Stage 2 Sell Strategy and Stylish Stagers, Inc. you'll discover: how home staging can change habits and emotions that will benefit your bottom line---and ultimately put a sold sign on your property. Preparing your home for sale is more than just cleaning and decluttering, learn insider home staging secrets on how to make your space feel like home to potential buyers. When buyers feel at home, they're more comfortable and can relate to the space, which ultimately gets them to make an offer. How fast can you sell your home? See for yourself. In *Feel at Home*, home staging expert Tori Toth pulls back the curtains on the home staging industry and shows you a simple 10-step plan for making an impact on your housing market. The place that you've called home is about to become your greatest asset, I'm here to help you get the best return on your investment.
