

## Our Book: Sisters in Strength

The stories herein are of ordinary women that you stand in line with at the bank or grocery store, and yet their stories remind us that there is something inspirational to be learned from everyone of us. As they share pieces of their continued growth and self-discovery, Bennetta, Connie, Donna, Kimberly, Marsay, Mutale, Jewels, Thelma, Sandra, Rochelle, Cassandra, and Vonnie are shouting out from the rooftops that you too can stand up and be counted.
