

Life Remixed: Understanding the Journey of Success

Life Remixed answers the question, What happened? and provides solutions to help you reset your life in a meaningful and profound way. Saideh Browne, in her 7th book, conveys a message of hope for those who have done the right things and have played by the rules but have ultimately been victimized by our institutions betrayal of public trust. She shares many personal stories and her practical advice is an excellent road map for those navigating our new normal. After reading Life Remixed, you will better understand the changes taking place in our neighborhoods, our country, and in our world due to globalization, technology and the economy.
