

A Mans Journey with God: A mans personal accountability journal between you and God

A Mans Journey with God is Bishop Wellington Boones 30-Day Consecration Challenge for men to grow in spiritual strength and maturity. This ManHunt edition can be used for a self-help spiritual study guide or discipleship by a pastor or mens ministry leader in the local church. This 464-page wealth of spiritual training is based on Bishop Boones more than four decades of training men, many of whom have grown to become national leaders respected for their character. His biblical principles give men spiritual authority to stand for truth and yet the humility to make exemplary husbands and fathers. It includes a Special Ops challenge to Christian Men to complete a spiritual journal for 30 straight days of private consecration, spending time with God in prayer, meditation on His Word, and writing a journal like great Christian men of the past. To learn steadfastness as a Christian man, if you miss a day, you start over again until you can complete 30 straight days. No man starts out knowing all about God, even if he is born again and baptized in the Holy Spirit. He needs a disciplined learning process designed for men and he needs a pastor whom he respects. A Mans Journey with God provides the vehicle for consistent, effective, church-based discipleship and leadership training for the men of God that this generation desperately needs. It is a powerful package of biblical truth, Christian history, and application to all areas of a mans life. Its successful training system teaches men how to develop life-long habits of consecration and Christ-likeness. The historical biographies are a consciousness-raising call to action. The exercises are a tested vehicle for becoming a game-changer. Written by a pastor who has successfully built men into godly leaders in all spheres of life, it is perfectly suited for leadership development within the local church. For pastors and

mens ministry leaders, it is just what they have been looking for to motivate and build real men. It is organized like a training manual with spiritual and practical strategies for teaching men how to be leaders in the local church. A Mans Journey with God includes a multitude of carefully crafted exercises that can be done privately and sometimes shared in small groups to build strength and character in men. It provides men with liberal opportunities for personal notes and reflections. It is filled with inspiring examples from heroic Christian men of the past. It is built on steadfast, compelling principles from the Bible and the historical Christian creeds. It imparts a vivid awareness of Gods judgment and a mans future in eternity. A Mans Journey with God is a breakthrough for men everywhere! Each section is framed by a timeline of the Church since the birth of Christ. Reliable and credible for preaching and teaching, each biblical and historical example is verified by hundreds of footnotes, biblical cross-references, and an annotated Index that includes online links. Knowing what you believe and living it out daily have never been more vital! Will you respond to Gods call? <http://WellingtonBoone.com>
