

Desiderata for Cat Lovers: A Guide to Life & Happiness

What could be more placid amid noise and haste than a cat staring quietly out into a dramatic skyscape, her soft fur reflecting the light? Or more peaceful than sleeping kittens cuddled up together in a pile? Does anything illustrate the idea of being on good terms with all persons more than a sweet, small feline sitting atop a large, calm dog? From photos of a meowing kitty (speak your truth quietly and clearly) to another happily licking her paw (beyond a wholesome discipline, be gentle with yourself), this Desiderata will charm every cat lover and provide spiritual sustenance, too.
