

## Legacy ~ Young Adult Fantasy (The Young Witches Chronicles Book 1)

Fantasy Fun! Magical, suspenseful and original a witchy good adventure. Even as an adult, I found this book to be magical and refreshing. Its great for anyone who has ever been bullied in school The day her grandmother goes missing is Mercys last day as a normal teen. First, she discovers shes a witch and a cat has been appointed her guardian. She enrolls in witching lessons as dispensed by Darynda, her trainer on WTC (The Witches Training Channel). Greg, the boy she likes, asks her out, but a girl who has bullied her since grade school is jealous. Mercys powers are out of control. Will she find a way to bring her grandmother back, as well as the bully she accidentally evaporates after an ill-fated school dance? Will the Witches Council cause her two best friends to forget they ever met her because she violates an oath she never took? Grab Legacy and enter Mercys magical world now...
