

## Astral Travel: A Guide For Beginners

Have you ever wondered what it would be like to travel without your body or meet highly evolved beings on other planes of existence? Ever tried astral projection and struggled to get out of your body? This book has been written specifically to help people like you to gain a thorough understanding of astral projection and to learn how to travel on the astral plane. In this step by step guide you will learn everything you need to learn about how to leave your body and astral travel successfully. You will also learn about the landscape of the astral planes and the beings that inhabit them so that you can interact with them and learn from them.

Whether you want to learn astral projection to master remote viewing, to evolve spiritually or just for fun you will find everything you need to know in this information packed book. With the Astral Travel: A Guide For Beginners you will be able to consciously master astral travel and be able to leave your body whenever you want. Transcend your physical body and explore the astral realms and prepare yourself for an amazing adventure as you explore and grow spiritually.
