Too Much Coffee Mans Amusing Musings

A stalwart of the alternative comics scene, Shannon Wheeler has forged ever forward, wrapping his acerbic signature character around numerous social, political, and philosophical subjects. From consumer culture to self-confidence to bad media, Too Much Coffee Man wades through the underarm of human existence, centering on those habits we hate to love: liquor, cigarettes, ego, gambling, and, of course, caffeine. Observe Too Much Coffee Man as he encounters reality programming, cognitive dissonance, waifish supermodels, infotainment, hot McDonalds coffee, and haiku.
