

## Dames and Daughters of the French Court (Classic Reprint)

French women. Innumerable volumes pay homage to them as Salonists, Queens of Society, Celebrated Women. One might almost say that there is no end to the literature that treats of these certainly very charming subjects. Here and there a writer, notably Sainte Beuve, has told of them so appreciatively, so ultimately, that to speak after such authority seems almost an impertinence. However, it is sometimes pleasant to meet old friends in a new guise, even though the new guise be ever so simple and unpretentious. It is with this thought in mind that I venture to offer these Dames and Daughters of the French Court. It may seem that there is an incongruity in the title. Perhaps it is not as dames and daughters, those terms of eminently domestic flavor, that one naturally thinks of French women. Nevertheless, in spite of their salons, their social triumphs, and their literary and artistic successes, these French women really were dames and daughters as we understand the words. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
