Aman, known to his enemies as The Green Mist 25 years ago, in the mountains of Tibet, The Council Of Seven selected an orphan of superb physical structure, and each did his part to develop the child in all the qualities of one who would dominate the world of men by his great strength, knowledge and courage --- before leaving for America, Aman was forced to endure many tests to prove his ability. His friend, Nika, the young chemist, endowed him with the power to make himself disappear in a cloud or green vapor, and extracted from him a promise to always be good and kind and generous.
