

Creative Costumes & Halloween Decor: 50 Projects to Craft & Sew

The all-in-one Halloween book! Creative Costumes & Halloween Decor combines costume and decorating projects into one convenient book. The costumes are designed around three basic styles: tabards, gowns, and full suits (made from pajama patterns). Accessories like wings, capes, skirts and lots of headwear are also included. Details like collars, gloves, spats, and face painting instructions offer lots of ideas for personalizing costumes. The decor section includes 30 unique projects for decorating your house inside and out, along with special projects for throwing a Halloween party. The projects use common household products plus lots of craft-store items like wood pieces, paints, papier mache, felt, craft foam, floral materials, and polymer clay. Elaborately propped beauty photos and step-by-step instructions with photos of every step make the projects-both costume and decor-easy to understand.
