

U.S. Coins & Currency, Warmans Companion

This new edition of this coins and currency guide serves both experienced and entry-level collectors in your search for updated values and answers about U.S. coins and paper money. Written in a comfortable instructional tone, this book walks you through the evolution of U.S. money, spotting mint marks, and grading and handling coins; en-route to identifying and pricing all types of coins including State Quarters, new Nickels, gold coins, and paper money including treasury notes, silver certificates and demand notes, among others.
