

## Do It Like A Pro: Easy Balloon Decorating for the Non-Professional

Using balloons to decorate for parties, proms, weddings and other events is popular and can be expensive. Do It Like A Pro: Easy Balloon Decorating for the Non-Professional will guide the ordinary person through the steps to learn a few basic techniques that will allow them to save hundreds of dollars on decorating expenses. Want a few balloon trees for your wedding? Don't hire a professional, teach your friends and let them do it for you. Need to save money on your teenagers prom? Teach his class the techniques and it will save them tons of money and open up a lot of possibilities for them to be creative. This is a very short book because it doesn't need to be longer. The information is valuable if you've ever thought you'd like to know how to do balloon sculptures. Written by a veteran party planner and balloon decorator. No glossy photos or fancy fonts, just simple to understand technique and line drawings. The pros don't want you to read this ebook.
