

# Limekiller at Large 1 (BW): A Tale of Sex, Superheroes, and Snack Cakes

When the head of the Extra-Normal Abilities Management Agency is killed in a car crash, his daughter, Michelle, is mysteriously whisked away to the Citadel of Integrity, home of the League of Integrity, the Worlds Greatest Superheroes. But E.N.A.M.A employee Arizona Ryder has problems of her own, namely in the form of her philandering, superhero husband Commander Dynamic. So the last thing she needs is to be sent to Florida on an assignment. Why her? shes a secretary, not an agent? What is Michelles connection to the deceased superheroine, Ms. Premium? And what does it all have to do with Marty Limekiller, former janitor to the League of Integrity, moderate hedonist, and aging slacker? A storytelling experiment, Limekiller at Large combines the traditional text based narrative, with the advantages of sequential art based storytelling. Limekiller at Large, a tale of Sex, Superheroes, and Snackcakes. (Note this is the same book as LimeKiller at Large #1, simply in BW form to reduce the price)
