

## The Cana Rosary: A Couples Prayer

This book of Rosary meditations for married and engaged couples offers encouragement and hope for living out the vocation of Christian marriage. The Cana Rosary blends meditations on the life of Christ with the practical lives of the couple. It considers how each mystery of the Rosary illuminates aspects of marriage and family life, and it fosters an encounter with Jesus, Mary, and the disciples as models for the couple in their lives together. Meant to be prayed by the couple or in a community of couples, this prayer book promotes a devotion to the Rosary, prayer together, prayer for one another, and a renewed admiration for marriage itself. More than a practical guide to either marriage or the Rosary, The Cana Rosary calls the couple to be one in prayer, to meditate on scripture and church teaching, and to consider virtuous responses to all of life's moments together.
